

Short panel stamp with optional Stockton design trim insert in True White.

DEL DEN'S PREMIUM

# DeLcraft *Plus*

- Tight-sealing “modified tongue-and-groove” section joints and U-shaped weatherstrip and aluminum bottom retainer helps keep the “weather” where it belongs – outside.
- Available in 1-3/8" and 2" profiles.
- Interior and exterior steel “sandwich” construction.

Long panel stamp with optional Prairie V-Shaped Bevel estate glass windows in Walnut.

- Thermally broken to prevent interior condensation.
- Limited Lifetime warranty against inherent defects.

Enhanced safety features create a safe, secure and beautiful complement to your home.

**GARAGE  
DOORS**

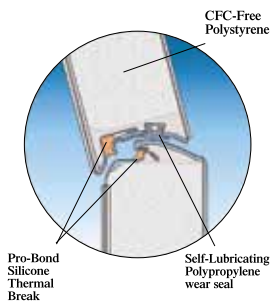

*“Experience the Quality”*

- Delden's section interfaces are designed to reduce the risk of serious finger and hand injuries.
- Thermally-broken to prevent condensation on inside door face.
- Self-lubricating polypropylene "wear seal," in section grooves, minimizes noise and "locks out" the elements with integrity.
- Eleven ball nylon rollers for quiet operation.
- Environmentally Safe Polystyrene Insulation.

Delden's *Delcraft Plus* garage doors are constructed of hot-dip galvanized steel skins continuously adhered to an expanded polystyrene core with a specially-developed adhesive. All hardware locations are reinforced with heavy-gauge steel backup plates, enhancing the door sections' strength and reliability. Section surfaces are preformed with an attractive "wood grain" texture which simulates the beauty of real wood. The *Delcraft Plus* garage door system enables you to "Experience the Quality" of the very finest in overhead door products.

## Delcraft Plus

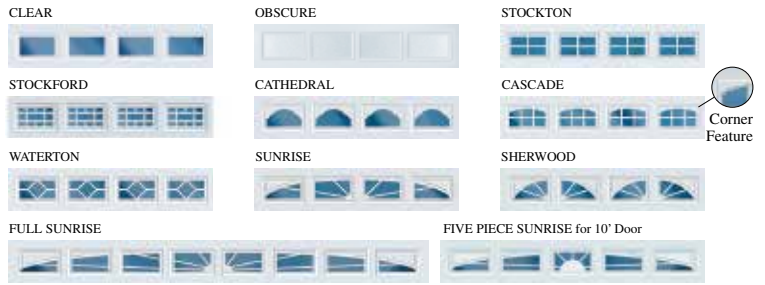

**Triple-Layer: Steel + Insulation + Steel**  
For the toughest, energy-efficient steel door, the *Delcraft Plus* triple-layer door includes the ultimate in thermal properties, plus a layer of steel for a finished interior look and added durability.

- Heavy-Duty Exterior and Interior Steel
- Durable, Reliable, Low Maintenance
- Environmentally Safe Polystyrene
- Thermal Insulation
- Superior Energy Efficiency
- Extra Quiet Operation
